Mission Statement

A Brotherhood Aimed Toward Education; A.B.A.T.E. of Illinois, Inc. is to preserve the universal right to a safe, unrestricted, motorcycling environment, and to propose and advocate actions that can be taken by elected and appointed officials to protect and conserve the natural resources of the State of Illinois, and insure through professional management that sustainable use, recreational opportunities and enjoyment of the resources is available for this and future generations

So says the legalese at the beginning of our Bylaws; but what does that mean? The bottom line is; A.B.A.T.E. of Illinois, Inc. is a Motor Rights Organization. Yes, we do charitable work. What better way to promote motorcycling, and a positive image of motorcyclists to the rest of the world? Yes, we educate; we educate our members on the merits of taking the motorcycle safety courses offered by IDOT. We educate anyone who will listen to be aware of motorcycles, both through individual effort and through our Safety and Education program. We also educate legislators that laws, which discriminate against motorcyclists, and motorcycling are unacceptable. On the civic level we encourage all A.B.A.T.E. of Illinois, Inc members to be not only registered, but active voters. We also believe that all citizens should be active in their communities.
